Dear Parent,

It is both heartening and gratifying to note that the two way online classes being conducted by the Vidyalaya are well attended and that the students are able to get the full benefit of these classes, as is shown by the scores obtained by them in the assessments and examinations held by the Vidyalaya.

As a result of the pandemic, the students may be missing the excitement of being in the Vidyalaya and taking part in its activities, but their participation in online classes and their scores has proved the effectiveness of this method of teaching. This has also been appreciated by the parents.

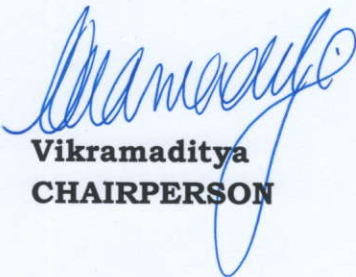

The Vidyalaya is continuing with online classes despite many odds and we promise to carry on doing so till the Government allows the Vidyalaya to physically re-open.

We are thankful to the parents for their support to the Vidyalaya in our endeavor. A good number of parents have paid school fees, which has allowed the Vidyalaya to function smoothly till date, but a number of parents are still not coming forward to pay the school fees.

We shall be celebrating Deepawali, the festival of lights with all joy and fun but with safety. Family of the Vidyalaya includes teachers, non-teaching staff, parents and students. Every one of us will definitely like to see a big smile on face of all while the festival is celebrated.

We request our worthy parents to make payments of due fees voluntarily. The fee amount deposited by the parent will be subject to the decision of the State Government and Court.

Wishing everyone a happy and prosperous **DEEPAWALI**.
